ONE FOR ALL

Five options for new possible uses: BLANCO serving trolleys are versatile assistants.

Hygienic kitchen assistant

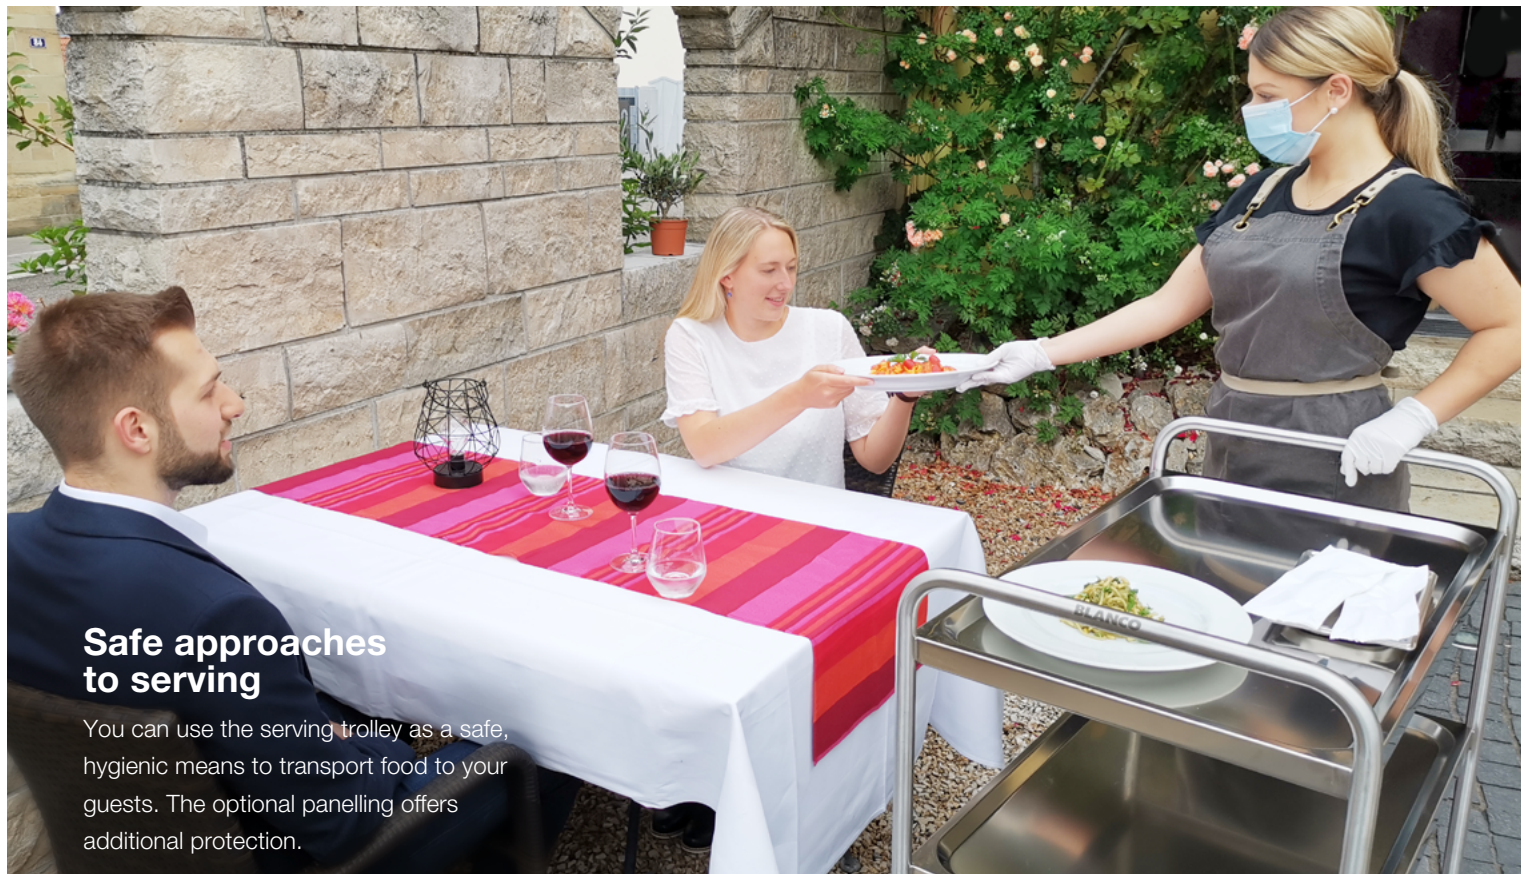

The new worktop for serving trolleys allows you to create a highly practical, mobile chopping area in an instant. Ideal for personalised work areas in food preparation.

Extending a welcome – without contact

To greet your diners with a hygienic touch, simply attach a BLANCO disinfectant dispenser to a serving trolley.

The serving trolley can be positioned at the entrance or in outdoor areas as required.

Safe approaches to serving

You can use the serving trolley as a safe, hygienic means to transport food to your guests. The optional panelling offers additional protection.

Quickly sorted and ready to go!

The clearing station is perfect for easy clearing. It serves as an intermediary station for depositing and sorting waste, dishes and cutlery in indoor and outdoor areas.

Spotlessly clean once meal is over

Equipped with cleaning agents, the serving trolley becomes a mobile cleaning and disinfection station.

SW serving trolley
